DIGHTON-REHOBOTH REGIONAL HIGH SCHOOL

Administration

To the Class of 2000:

Congratulations to the first graduating class of the new millennium! As Superintendent of Schools, it is with great pride that I have had the privilege of overseeing your excellent educational progress in the Dighton-Rehoboth Regional School District. The past four years that you have spent at D-R High School have been memorable for you in terms of your academic achievements, extra-curricular activities, and special interpersonal relationships developed with fellow students and staff. As you depart for greater challenges and opportunities, always remember the solid foundation that you received from the D-R Regional School District. Best wishes for continued success.

Dr. Francis J. Connor
Superintendent of Schools

To the Class of 2000:

As you take leave of this school, and of each other, remember that this school, this staff, and this administration have played a significant role in your academic, your social, your physical, and your psychological development.

You came to us as very young and very unsophisticated adolescents, not knowing who you were or where you were going. Now, four short years later, you are young men and women, fully cognizant of both who you are and the direction you wish to go.

May the wind be always at your back as you attempt to get there.

Mr. Trent R. Danella
Principal

Administration

To the Class of 2000:

Your graduation from high school is a significant accomplishment. Graduation from high school represents a milestone in your life and clearly signifies a major transition point in your passage into adulthood. Whatever the future has in store for you, you will be required to be a life-long learner in order to be successful. Hopefully Dighton-Rehoboth Regional High School had helped prepare you for that awesome challenge. Whether you are entering college, the world of work, or the military, I wish you good health, happiness, and success. Furthermore, I urge you to find ways to help others and to make our world a little better. Set your goals high and follow your dreams. Good luck!

Mr. Glen Field
Assistant Principal

To the Class of 2000:

Congratulations to the Class of 2000! I wish each of you a very successful future. Your four years at Dighton-Rehoboth have prepared you for your next challenge in life. May you be as successful in the future as you have been at Dighton-Rehoboth. Whether you go on to college, the work force, or the military, I wish you nothing but success. Whatever you choose to do, do it to the best of your ability.

Mr. Paul Giannakoulis
Assistant Principal

Administration

To the Class of 2000:

This yearbook is a photographic record of important events in your life - your high school years. It is a visual history of the people and the events that have been a part of your life for the past four years. I would hope that from time to time that you would look at this yearbook and remember your most important accomplishment while you were here - a high school diploma. What an awesome feat! Congratulations.

Mr. Leon Sibielski
Director of Guidance

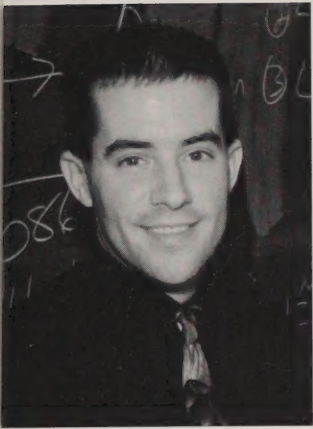

To the Class of 2000:

Congratulations and continued success to Dighton-Rehoboth's first graduating class of the new century. In the last four years, your teachers at D-R have helped you to acquire knowledge and skills that will better prepare you for the future. Continue to learn and challenge yourself as you grow and pursue your dreams. Always take time to enjoy life and your accomplishments along the way. Be friendly and help others and remember that one person can make a difference. I wish you success and fulfillment in your future.

1982-1999

*So, so you think you can tell Heaven from Hell, blue skies from pain.
Can you tell a green field from a cold steel rail? A smile from a veil?
Do you think you can tell?*

And did they get you to trade your heroes for ghosts? Hot ashes for trees? Hot air for a cool breeze? Cold comfort for change? And did you exchange a walk on part in the war for a lead role in a cage?

How I wish, how I wish you were here. We're just two lost souls swimming in a fish bowl, year after year, running over the same ground. What have you found? The same old fears. Wish you were here.

While Math Team does not sound very appealing to some, to those who have given it a try have come to realize that Math Team is a very fulfilling after-school activity. Math Team has about one meet every month from September to March; at each meet, students take part in both individual and team rounds. Aside from the math meets, members often meet on a weekly basis and have a "study party" with food, games, and, of course, a little math! Participation in Math Team adds to one's mathematical knowledge, gives members an opportunity to meet new people from numerous schools across Massachusetts, and teaches cooperation and team work. Those on Math Team have come to realize that "seven days without math makes one 'week' ('weak')." In the 99-00 season, the Math Team made it to the Playoffs!

GOLF TEAM

Season Summary

Despite the loss of our four starters to graduation, the 1999 Golf Team put together an outstading 16-1-1 record and won its fourth straight SCC title. Tri-captains and SCC All-Stars Tim Lang, Bridgette Palin, and Greg Sunderland paced the team with excellent play throughout the season. Blake Holt, Ian McPherson, Read Knowles and Kyle Harrison all contributed in a big way to the team's success. A core of developing players, led by Steve Field, Ricky Floor, Scott Wade, Todd Torres and Brian Medeiros, will be counted on next season as the team seeks its fifth consecutive league championship.

CROSS COUNTRY

GIRLS' CROSS COUNTRY

The girls had another successful cross-country campaign in 1999. The team was led by senior captain Heidi Anuszczyk and sophomores Gabby Charbonneau and Kathryn Rose. Each of these girls finished first for the Falcons in several meets during the season. The girls cruised through the first two months of the season without so much as a challenge, even from the usually powerful Old Rochester and Apponequet. Their only set back came in the final dual meet against arch-rival Warriors from Seekonk. Following their loss to Seekonk, Sophomores Charbonneau and Rose excited the fans by placing 1st and 4th in the S.C.C. meet respectively. The girls would like to extend their best wishes to graduating seniors Heather Harvey and Heidi Anuszczyk.

BOYS' CROSS COUNTRY

The D-R boys' cross-country team enjoyed another very exciting season. The team was led by captain Matt Fallows, his brother Eric, and fellow seniors Mike Haskell, Dave Mullert, Andy Silvia, and Matt Tavares. This group of upperclassmen started the fall as undefeated S.C.C. Champions three years in a row. A fourth championship seemed on the horizon as the Falcons cruised to a 6-0 start. Unfortunately, this talented and dedicated group of seniors lost their only meet in four years to a powerful Seekonk squad in their final race. The squad bounced back by taking 2nd in the SCC meet and 8th at the State Division 3 meet. Senior Dave Mullert held the number 1 spot for the Falcons from the first meet to the last. Sophomores Frank Joyce and Steve Sypole, and junior Stu Wilson finished the year in spots #2, #3, and #6 for D-R, which bodes well for the boys in the future.

Girls' Soccer

Season Summary

- Defending the SCC Championship
- Reaching the semi-final round of the South Sectional for the first time
- Achieving the best record at 19-2-0 in D-R history
- Scoring 102 goals and only allowing 13

Season Summary

The 1999-2000 season again proved a very successful campaign for the Falcons. The boys ended with an impressive 6 wins and 1 loss record taking 2nd place in the South Coast Conference. The season started off with a bang as the Falcons won their first 3 meets and the SCC Christmas Relays as well. The first week back the Falcons meet their old nemesis, the Warriors from Seekonk, and dropped a heart-breaker 34 to 51. Still, the boys bounced back well, going unchallenged for the rest of their dual meet campaign. At the SCC Meet the Falcons avenged their earlier season loss by downing the Warriors in exciting come-from-behind fashion. With the outcome of the meet in question, the 4 x 400 and the 4 x 800 relay teams won the last two events to secure the meet championship.

The boys also enjoyed some impressive individual accomplishments. Three new school records were established. Senior Dave Mullert led the record assault by breaking his own record in the 1-mile with a time of 4:28.56. Sophomore Ryan Burt also broke the school Pentathlon record by scoring 2,815 pts and taking 19th in the State Competition. The 4x800 meter relay team of Dave Mullert, Eric Robichaud, Eric Fallows, and Andy Silvia took 4th place at the prestigious McIntyre Relay Meet with a time of 8:17.73. Only four Massachusetts high schools ran faster during the year!!! Lastly, senior Dave Mullert solidified his reputation as one of D-R's greatest distance runners by placing 4th at the Eastern States Championships in the 800 meters in 1:56.24. He then ran 1:55.97 to take 10th at the National Championships.

The boys team is losing one of the most talented squad of distance runners ever. Despite the loss, the team does boast a very deep junior and sophomore contingent which should help them challenge for the SCC title again next year. We wish the graduating seniors the best of luck and look forward with the underclassmen to next year!

Overall: 6 Wins, 1 Loss

Season Summary

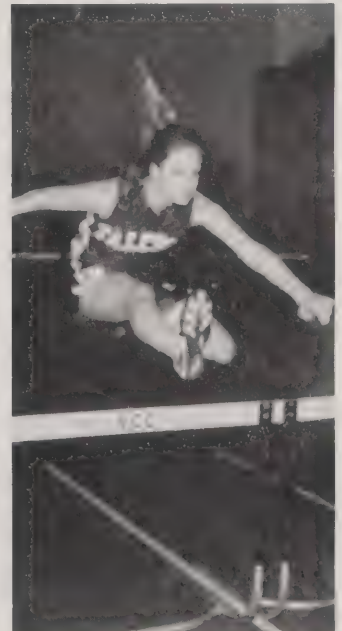

The 1999-2000 season again proved a very successful campaign for the Falcons. The girls ended with an impressive 6 wins and 1 loss record, taking second place in the South Coast Conference. The year started off with a bang as the girls won the S.C.C. Christmas Relays. Their first dual meet proved their only downfall all season as they dropped the season opener to Apponequet 41 to 45. This proved one of the best dual meets in recent S.C.C. history as the final outcome was not decided until the 4x400 relay. Both Apponequet and D-R had anticlimactic seasons after this battle as the S.C.C. title was in the Lakers' hands since no team seriously challenged either of the squads for the rest of the winter. Despite this early setback, the girls continued to work hard and improve as they easily downed their archrivals from Old Rochester and Seekonk. The girls closed the season by taking 2nd in the S.C.C. Meet and 5th in the Massachusetts Class C State Meet.

There were many individual highlights from the year as well. Leading the way was Ashley Massaroco's new school record in the 2-mile run. Ashley placed 7th at the Class C meet with a 12:00.70, chopping 12 seconds from the previous record set by Jess Charbonneau seven years ago. Nicole Parker continued to soar in the high jump as the defending S.C.C., Mass., New England, and National Champion went undefeated through the regular season. In post-season competition Nicole also jumped well, taking 2nd in both the Mass. State Meet and the New Englands, and a 5th at the Eastern States. Fellow senior Emily Horton also ended her impressive 4 year career at D-R with some excellent performances in the long jump. Emily took 3rd at the State Class C Meet; 4th at the Mass. State Meet; and 8th at New Englands. Emily also improved the D-R school record in the long jump to 17'0.5"! Last, but certainly not least, two relay teams also established very impressive marks in the winter. The 4x400 relay of Jill Andrade, Nicole Parker, Kelan Balogh, and Emily Horton broke their own school record by running 4:13.30 and taking 4th at the prestigious McIntyre Relay Meet. At the same meet, Nicole Parker, Emily Horton, and Beth Ferreira won the high jump relay with a combined distance of 15'2"; no other high school team from New England has ever had three girls jump a higher combined distance!

Still, the most exciting success story of the winter for the girls may have come at the State Pentathlon Competition on February 23rd. The D-R contingent of Nicole Parker (2nd, 2939 points), Emily Horton (5th, 2871 points) and Beth Ferreira (44th, 1567 points) totaled 7377 points to capture the State Title; the first ever for a D-R team at this event!

The team will miss the expertise and the dedication that the graduating seniors have brought to D-R Winter Track for the past four years. Certainly, this has been the most successful four years D-R has ever enjoyed. Although we are all sad to see this talented group of seniors depart, D-R does look to future success with a very deep sophomore and freshman class of athletes.

Additionally, Nicole Parker competed at the National Championships again this winter. Although unable to defend her title from last year, she still fared well, taking 6th in the high jump and 5th in the Pentathlon in a new D-R record 3099 points. Emily Horton and Nicole Parker finish as the #1 and #2 scorers in D-R Winter Track History!

Closing Remarks
Mr. Danella, Principal

A final word from the editor:

Dear Seniors,

For some of us, the old adage "These are the best four years of your life" rings true. For some of us, the best years of our lives lay ahead. We've made it through! We graduated. We all have our diplomas. I thought that was the point: receive good grades, be accepted into college. This was the meaning of success. Then, something suddenly hit me. We have spent four years of our lives here. Flipping through the pages of this yearbook, not one person can say they don't have many memories. Maybe there is more to "success." As much as we all wanted to graduate, many of us will greatly miss our teachers, associates, friends, and loved ones. We walked into this school as very young and very naive freshman. We didn't even know half of the people with whom we were going to school! Over the past four years, we have developed close bonds and loves with many people. We shared our lives with each other. We learned from them more than any textbook could ever put into written words. Looking back, there is a new meaning of "success." Part of success may still be to receive acceptable grades and to graduate. The other part is to be able to look back on these four years and have fond memories of your teachers, your friends, and your loved ones. They all helped to make us who we are.

"It takes only a minute to develop a crush on someone, an hour to like someone, and a day to love someone. It takes a lifetime to forget those who have left footprints on our hearts."

Special thanks go out to:

Ms. Sharon Conley of T.D. Brown Studios

Mr. Arnie Lohman of Josten's Publishing
